From (Name) M.R.Ry.S.Nanjappa Shetty Avl.,B.A.B.L.,

(Designation) President,Taluk Board,Karkal,S.Kanara

To The Secretary to the Government of Madras,

Local Self-Government --- Department.

Through The President,District Board, South Kanara.

Sir,

Adverting to the above Government memorandum I have the honour to state as follows:-- para 4 note

The well got sunk at Nellikar is on Taluk Board road poramboke. The well at Renjal is dug on Revenue land. Steps have been taken to get the site of the latter well -- alienated in favour of the Taluk Board.

As regards the objection that grants have been drawn on value of materials not used, I have called for a report from the Engineering Department. The objection that the well at Cholpady has been sunk is a school compound is not correct. The well is dug by the side of the road leading from Salmar to Kabettu and there is no compound wall enclosing the

7/10

para-ante

well. The site of the well has only to be got alienated to the Taluk Board for which a separate reference has been made to the Revenue Department.

The wells at Nitte Halekatte and Shirtady are on L.F.road poramboke. The wells are accessible to all classes of people and have been sunk at the sites selected by the Health Inspector, Karkal Range.

In the circumstances, the Government may be pleased to see that there are no grounds to require the Taluk Board to refund the grants already drawn and spent for the purpose.

Your most obedient servant,

President,
Karkal Taluk Board.

From (Name) M.R.Ry.S.Nanjappa Shetty Avl., B.A.B.L.,
(Designation) President, Taluk Board, Karkal, S.Kanara

To The Secretary to the Government of Madras,

Through Local Self-Government (Public Health) Department.
The President, District Board, South Kanara.

Sir,

Adverting to Government Memorandum referred to above, I have the honour to forward herewith a true copy of letter from the District Board Engineer, South Kanara regarding advance made by the Engineer for materials supplied for -- construction of public wells in 1930-31 and grant drawn on value of materials not used. I request that the Government may be pleased to condone the audit objection regarding drawal of grant on value of materials not used- in the circumstances stated by the Engineer. The sketches of the wells as received from the Engineer havebeen forwarded to the Collector

Collector of South Kanara in view to acquisition or alienation of sites as the case may be. The well sunk in Renjal is found on further verification to be on patta land. The site sketch in respect of this well as prepared by the Engineering Department has also been furnished to the Collector for instituting acquisition proceedings at a very early date.

I have the honour to be,

Sir,

Your most obedient servant,

President,
Karkal Taluk Board.

From

M.R.Ry. N.Krishna Pillai Avargal,
District Board Engineer, South Kanara.

To

The President, Taluk Board, Karkal.

Subject:-- Audit objection on Government grants drawn for Rural water-supply - in 1930-31 --yourlette Ref.on C.No.653 KTB 32, dated 28-9-1932.

Sir,

With reference to the above, I have to state that advance for materials supplied for construction of wells was made agreeably to rule 284(b)(1) of the Local Boards Manual and is in order. Regarding grant drawn on the value of -- materials not used, Government may be addressed to condone this irregularity as the objection was first of its kind. Regarding para 2 of your letter, I forward herewith, copy of Karkal -- Section Officer's report received with Udipi Assistant Engineer's remarks with copies of sketches of 5 wells dug at Nitte Halekatte, Ronjal, Nellikar, and Shirtady. The Revenue Department may be addressed for alienation or acquisition whichever necessary.

~~Rural water supply (Karkal TK Bd)~~

Audit - Grant (S Kanara Dt.) -
~~Rural water supply (Karkal TK Bd)~~
Irregular expe in 1930-31.

The outstanding objections in regard to the irregular expe of the grant drawn in 1930-31 for rural water supply by the Karkal TK. Bd (S. Kanara) are —

p 1 cf (1) the drawal of grant on value of materials not used in respect of the wells at Nellikar & Ranjal,

pp 1 & 2 and 5 & 6 cf (2) the non-vesting in the TK. Bd. of the Sites on which ~~the~~ six* wells ~~of~~ ~~Ranjal~~ + ~~Cholpadi~~ have been dug.

* para 1 - p 1/2 cf.

2. As regards item (1) above, the DBE, S. Kanara states that the objection is the first of its kind and the DTB requests Govt. to condone the irregularity. It is strange that a DBE trots out such an explanation for an obviously incorrect procedure. The grant drawn in this case seems repudiable / The remarks of the Exr LFA may, however, be invited us. p 11 cf

3. As regards the other objection, the DTB states the sketches of the wells have been forwarded to the Coll r with a view to the acquisition r the alienation of the sites as the case may be. The well sunk at Bajal is stated to be on patta land and the site sketch of this well has also been furnished to the Coll r for instituting acquisition proceedings In the circumstances, the Exr LFA may be requested to drop the objections. The DTB may however be reminded that expdr on works on sites not belonging to r vesting in the TK. Bd. is unjustifiable. No further Mr. DTB may be asked to send a further report in the matter after six months. p 10 cf
